this is only available for hot drinks

If you'd like an even bigger cup of beverage than a

venti

you can ask for a "trenta"

this is only available for cold drinks

and you can only get them in the States

Grande is Italian for large

venti means "twenty", trenta means "thirty"

When it comes to Starbucks

there is a variety of different coffee types that you can get

Today I'll be showcasing some of the more popular ones

卡布奇諾

卡布奇諾 in English is Cappuccino

Next, 拿鐵

拿鐵 in English is Latte

Then we have, 美式咖啡

美式咖啡 in English is Americano

And then, 摩卡

摩卡 in English is Mocha

Next up, 濃縮咖啡

濃縮咖啡 in English is Espresso

Next, 焦糖瑪奇朵

焦糖瑪奇朵 in English is Caramel Macchiato

Last, and my personal favorite, 星冰樂

星冰樂 in English is Frappuccino

Frappuccino is a new word

made by combining frappe, a kind of milkshake with ice cream

and cappuccino

Finally, let's take a look at

the different function boxes on a Starbucks cup

低咖啡因咖啡

低咖啡因咖啡 in English is decaf, short for

decaffeinated

濃縮咖啡計算單位

濃縮咖啡計算單位 in English is Shots

For espresso shots, you can ask for a single shot

a double shot, a triple shot, or even a quad shot

糖漿

糖漿 in English is Syrup

There is a ton of different flavored syrups
that you can choose from at Starbucks:

caramel, hazelnut, vanilla and more

牛奶

牛奶 in English is Milk

You can choose whether you want
whole milk, non-fat milk, or soy milk

客製化

客製化 in English is Custom

For example, you can tell them that
you want "no foam", 不要泡沫

or "no whipped cream", 不要鮮奶油

飲料名稱

飲料名稱 in English is Drink

For example

I got a Caramel Machiatto the other day, so it says

CM here

So there you go,

the most basic English terms that you'll need to know
at Starbucks

So next time you're at Starbucks, you would know
your stuff
